REVIVAL MISSION

From the rising of the sun, even to its going down,
My name shall be great amongst the nations Mal 1:11

Singapore November 2022

Keep the good confession of faith:

“Therefore, holy brethren, partakers of the heavenly calling, consider the Apostle and High Priest of our confession, Christ Jesus.”

Heb.3:1

“Let us hold fast the confession of our hope without wavering, for He who promised is faithful.” Heb.10:23

When i was a new believer and i face some problem in the circumstances of life, i used to receive this advise many times from people, “You must look upon Jesus.” That is a very good advice but my respond was, i look upon Jesus and expect Him to do something. But no one tell me how to look upon Jesus. As a believer we have been forgiven and brought into a right standing with God and we are now sanding in God’s favor and blessing by the grace of God, no one can change that. Jesus has completed the work on the cross, and we have received it, the free gift of righteousness. You are because of Christ, we have been made the righteousness of God. To look upon Jesus, is to look to His finished work and respond by faith. We received Jesus by believing in our hearts and confess Jesus as our Lord and savior. That’s how we look upon Jesus. Look to what He has freely given to us by grace and respond to life’s challenges and troubles by faith. We are now living our life from our standing as a new creation in Him. We humble ourselves and consider Jesus and believing and speaking what we are and what we have in Him. So lets turn our eyes upon Jesus and the things of this earth will grow strangely dim, in the light of His glory and grace.

Update from our mission work: We want to wish all our mission partner and friends a Blessed Christmas and a Happy and prospers New Year.

As we celebrate Christmas we must remind ourselves that Jesus came with good news for all people. Our main purpose is to bring good news into a very dark world. The gospel is still the power of God for everyone that believe it. We want to take the opportunity to thank everyone that have kept us in your prayer and support for the mission work this year. May the Lord bless you for your love and generosity. It has been a year of transition and changes in our life and ministry, with many new things to relate to because of our move to Norway. But by the grace of God, he has kept us in His hand and we could rest in Him and go forward into the things he has called us to. The Lord is leading all of us into the place and purpose he has for our life and ministry. It is good to know as a believer we have a good Shepherd that carefully watch over and care for us. We can rest and trust in Him because that’s where we are, hidden with Christ in God.

Mission Update: As i write this newsletter i am in Singapore. I had just return from 3 weeks of ministry in India and Nepal. Following that I will also go to the Philippines for revival meetings and pastor seminar in Luzon next week. After that i will go one week to Vietnam. We will spend Christmas holiday with families here in Singapore and we will be back to Norway at new year. I will share in this newsletter what has happen in ministry from August. From August to the beginning of October, we traveled in Norway and ministered in seven churches. We also continue to train pastors and leaders i Orissa, India with online zoom sessions held through the big screen where we brought together pastors and leaders from different areas and provided food and trav-

eling since most of the pastors are coming from slum areas. This has been very effective and we had received good feedback from the teachings. We had two seminar in different areas with around 100 pastors attending. In Vietnam we have held 3 online zoom meetings where we had people joining from different towns in Vietnam. In Pakistan we preached for a big crowd on big screen and we were told that 682 responded to the gospel. In Nepal and North East India, we have supported the local pastor and their ministry to reach out with the good news and train new leaders for ministry.

In last part of October and November i could finally travel to India and Nepal for ministry. We started with 3 meetings in Aeon Church in Hyderabad and a one day pastor seminar where 250 pastors and leaders attended. In all the meetings the presence of God was wonderful with much joy and freedom. Following that, i took a flight to Likabalia a city at the foot of Himalayas in North East India. We had 3 full days of teaching and training with with pastors and bible school student from the Himalayan Bible Institute. We supported around 70 pastors with food and accommodation for 3 days and also traveling cost for some. We also had 3 nights of revival meetings.

After India i traveled to Nepal from Kolkata. We had 9 days of program filled with ministry meetings, together with pastor Luke of Magani ministry whom we regularly support. In our first program we invited pastors and leaders from Chitwan area for a seminar. We helped some pastors with traveling and accommodations and provided food in the seminar. Many pastors has been discourage because of all the difficulties they face during the pandemic but we could see their faces light up as they were very encouraged by the message of God's grace and a strong presence of God in the seminar. Around 120 pastor and leaders attended the seminar. After that we went to the mountain village where we had seminar in Dhamili Church where believers came from different surrounding villages in the mountain. Among the attendees was 15 local pastors and one of them feedback after the seminar, "we have been spiritually upgraded in our understanding" and the people were very excited. We also had revival meeting in Shanti Church, the first church we where we had semi-

nar when i first came to Nepal. We also help sponsor and build the new church building. It is wonderful to see the transformation that has happen with the local people and how they have grown spiritually. The power of God touched the people and there were many healing and deliverance and much joy and freedom. After that i brought a team with me to the border of India. We drove 5 hours through rivers and jungle to the destination. We had meetings in the slum area and about 300 people came to the meeting where many came forward and prayed the salvation prayer and the sick received healing.. We also bless them with a meal after the meetings. This is an area where our contact pastor just start a ministry group. For our last program i went to Baidhepani Church, a village church in the mountains. I wanted to see the ministry in the mountain region and we had to drive with rickshaw on a very bumpy road for long distance into the mountains and hike and walk in the last part of the journey. We had a wonderful meeting in the church. It was almost sun down before we could go home and as we were descending from the mountain, we encounter a tiger on the road. I must admit that my pulse increased very much but i thank God the Tiger choose to go back into the forest. The mission work in Nepal has increase very much so we would like to ask if you could consider sowing financially and bless this work. Finally please pray together with us for the ministry of the gospel, we had received news of increase persecutions of foreign ministries and believers in the nations that we worked in: we also need for ourselves and our contact pastors and their families wisdom, courage, divine provisions, protection, and strong health.

Have a good blessed and well rested christmas holiday and a shalom filled new year.

Blessings and love from Oyvind and Sherry.

GO OUT TO ALL THE WORLD AND BRING THE GOSPEL OF THE GOOD NEWS OF JESUS CHRIST TOGETHER WITH US!

WE NEED YOUR SUPPORT! We thank God for his faithfulness and for giving us the opportunity to bring and preach the Person of Jesus Christ, the Word, in the mission fields. And where the Gospel is preached, the people get changed by the washing of the Word, Eph 5:26. There are always needs in the ministry, and we believe that God wants us to increase, expand and move forward in the things He put in our hearts. You can partner with us and together, we could go & bring the good news of Jesus Christ to the nations. **We value every single financial gifts, big or small, that comes into our ministry, everything starts with a seed, a seed sown will bring about a harvest.** From our hearts, we want to say thank you, by your prayers and giving for us to go, with the good news to the different nations. **May the favour and the grace of God abundantly meet all your desires and needs.**
