REVIVAL MISSION

From the rising of the sun, even to its going down,
My name shall be great amongst the nations
Mal 1:11

Norway April 2022

Christ our victory banner:

Then the LORD said to Moses, "Make a fiery serpent, and set it on a pole; and it shall be that everyone who is bitten, when he looks at it, shall live." So Moses made a bronze serpent, and put it on a pole; and so it was, if a serpent had bitten anyone, when he looked at the bronze serpent, he lived. Num21:8-9

And as Moses lifted up the serpent in the wilderness, even so must the Son of Man be lifted up, that whoever believes in Him should not perish but have eternal life. Joh.3:14-15

A banner is an advertisement, a headline, a slogan announcing what you stand for and what you believe. God said to Moses that he should take a bronze serpent and set in on a pole. In Hebrew the word "set it on a pole" have the meaning of "to put up a banner". And the word of God tells us that everyone that looks at the banner get to live. We live in a time where we are easily distracted in our mind and thoughts by all the things being promoted in the mass media channels, indirectly influencing our thinking. It is important that we focus on the Lord and His word and plans for our life and don't be involve in situations that the Lord don't want you to be part of. Certain situations or circumstances in life will just distract us from the mission and the purpose the Lord has for us. Apostle Paul's prayer in his letters is built upon the truth of Jesus' death and resurrection and the reality of the new creation in Christ. This is the prayer we should pray over our lives daily so we can walk in God's plan and fight the good fight of faith that the Lord have for us.

"For this reason we also, since the day we heard it, do not cease to pray for you, and to ask that you may be filled with the knowledge of His will in all wisdom and spiritual understanding; that you may walk worthy of the Lord, fully pleasing Him, being fruitful in every good work and increasing in the knowledge of God;" Col.1.9-11

The good fight of faith is a fight we fight in God's power where we are depending on God's grace working in us

and through us to fulfill God's mission in our life. When Joshua stood at the wall of Jericho he lift his eyes and saw a man stood opposite him with his sword drawn in his hand. Joshua asked him are you for us or are you for our adversaries? But he never got the answered for that, but he was told that now the commander of the Lord's army has come to fulfilled heavens' plan and purpose. And Joshua has to humble himself to receive grace for the mission God has call him for. (Jos.5:13-15)

Our victory banner is Christ and his finish work. We must lift up that banner in our life, over our family and nations. Stand up for the truth that is in Jesus Christ. He will work through us and fight our battle. He will always lead us in triumph in Christ, and through us diffuses the fragrance of His knowledge in every place.

Thank you for your interest in our mission work. We have started again to print our news letter from India. After our good friend Pastor Arthur from Chennai pass on last year, his son Berin took over the work and continue the printing work and we are happy for that. You can also find our latest newsletter on www.revivalmission.org, you can also follow us on Facebook with the latest news.

In December last year we cancel our trip from Norway back to Singapore when we believe the Lord told us to move our family base to Norway. It was of course many challenges to do that but by the grace of God, things accelerate very fast, all the practical things fall in place, with school for Stephanie and permission for Sherry to stay in Norway. Thanks for all your prayer. We plan to make a trip back in July, Singapore has been a very productive and effective place for us, to have as a base for our mission work with our family and the church we have been a part of there. It has been a blessing and strength for us in the work we have been doing. We will continue have our base in Singapore for the mission work even if we for the time being physically living in Norway. We will continue the

work in Asia and we believe and pray the Lord open the right doors for us in Europe. Thank you for your prayer and support for the mission work. It is a challenging time we are living in and many things we have taken for granted is falling apart around us, but we can be secure and know the Lord is with us. I trust we hear the voice of the good shepherd and he will direct our path and lead us by his heavenly vision. Thank God we can be in the flood of God's grace in The Holy Spirit. We want to share a little of what the Lord has been doing in our ministry this year. We believe it is a year of rest and acceleration, where the Lord is working through us with his mighty power to fulfill his plan and purpose. Jesus is alive! He is Lord and he has all power and dominion. Because of that we will run with the good news. In a time of great darkness over the nations but his glory will be seen on the church.

Shalom from Oyvind and Sherry

We are happy the covid 19 restrictions have been lifted here in Norway and many places in Europe making it possible for us to have meetings again and to travel. Many of our plans have been delayed or canceled, but lately we have been able to travel and had meetings in Norway, I was able to make a mission trip in February to **Romania**. It was a one week of meetings and at every ministry place, people were just coming to the Lord and were deeply touched by the Lord. Many also testified of healing and one lady was able to hear again in one of her ears. We also help to provide a new start up work with a new heating system in their building in Jilava, Bucharest. This area has experienced much poverty, prostitutions and crime. The vision is to have a growing church and a center with an outreach to especially to the children, with social community help projects like education and language training, work training for adults, at the same time preaching the gospel. The building is also perfect to arrange teaching seminars and training for leaders and pastors. We have also experienced doors opened for us since the local leaders are open for the message and teachings. Many young adults received a fresh touch of the Lord and are on fire for the Lord as they have experienced the Grace and the love of God in the meetings, at the same time received a revelation of their new identity in Christ. Many were glad they were in the meeting, it was a turning point for them.

In Asia we have been able to continue with our training and teaching seminars by zoom. In **Nepal** we had successful meetings in January and March where we brought together leaders from many districts for a 3-4 days teaching in our mission center in Chitwan province, where we provided them with housing and food and traveling cost. Our work in Nepal is growing and there is a great need to equip more workers with God's word.

More than a thousand people has been baptized the last year and many thousands of people have heard the Gospel and new churches and house group have been started. We have also supported outreach programs to preach the good news where our contacts have been walking by foot for days in the Himalayas mountains to reach new villages with the gospel. We will plan a mission trip to Nepal soon. Please pray for that.

In India we continue with live online pastors seminar in **Orissa**, pastors from different districts are gathered together and they are encouraged and taught the word, we provided them with food and some with travel cost. We also continued to support the work in **North East India**, there is a great need to help the local evangelists that have been trained in our bible school to reach out with the gospel to different tribes in the North East districts and to establish new churches. The bible school have had a break because of the restrictions, but will start again. A new church building was opened in February. There are still many unreached people group amongst the tribes of the Mising, Adivasi, Bengali, Bihari, Assamese, Nepali etc. in the North East of Arunachal Pradesh. We have also received lately reports of religious persecutions. Please pray for protection and boldness for our contacts to continue to preach the gospel and to reach new tribes, towns and villages with the Gospel of God's grace.

In **Vietnam** we supported in January an outreach in Sapa close to the border of China in North Vietnam. We hope we could visit Vietnam again. Thank you for your love, support and prayer making it possible for us to bring the good news to the nations. We pray the Lord leads all of you into all the things He has prepared for you, God's blessing and favor be with you and your families! *"Behold, I send an Angel before you to keep you in the way and to bring you into the place which I have prepared."*

GO OUT TO ALL THE WORLD AND BRING THE GOSPEL OF THE GOOD NEWS OF JESUS CHRIST TOGETHER WITH US!

WE NEED YOUR SUPPORT!

We thank God for his faithfulness and for giving us the opportunity to bring and preach the Person of Jesus Christ, the Word, in the mission fields. And where the Gospel is preached, the people get changed by the washing of the Word, Eph 5:26. There are always needs in the ministry, and we believe that God wants us to increase, expand and move forward in the things He put in our hearts. You can partner with us and together, we could go & bring the good news of Jesus Christ to the nations. We value every single financial gifts, big or small, that comes into our ministry, everything starts with a seed, a seed sown will bring about a harvest. From our hearts, we want to say thank you, by your prayers and giving for us to go, with the good news to the different nations. May the favour and the grace of God abundantly meet all your desires and needs.
