REVIVAL MISSION

Fom the rising of the sun, even to its going down,
My name shall be great amongst the nations
Mal 1:11

Norway August 2022

In all circumstances take up the shield of faith

"I pray that God, the source of hope, will fill you completely with joy and peace because you trust in him. Then you will overflow with confident hope through the power of the Holy Spirit." **Rom 15:13**

"In addition to all of these, hold up the shield of faith to stop the fiery arrows of the devil." **Eph 6:16**

Greetings to all our mission friends! Hope you all have a nice and blessed summer. Our plans for the month of July and August went a very different way than we planned. As plan, we were to visit Singapore and there were missions program put up in India and Nepal. But on the day of departure to Singapore our daughter tested positive for covid and we were not able to travel. We had to postpone our trip to Asia to October and November. The bible tells us that all things work out for good for those who love Him. As believers when we face difficulties in lives' circumstances we can continue to trust God and his love and care for us, even if we are overwhelmed as it seems it created unnecessary problems for our family and ministry, we realised later it was needed for me to stay in Norway due to different reasons. God is good and He continue to fill us with hope and joy by the power of The Holy Spirit and we look to Him and continue believing in Him even if things did not turn out like we had plan and expect. Please do keep us in prayer so that we are able to be to be effective to continue to reach out with the good news and also pray that God open the door for the Word to be preach as it should. We are living in a very challenging time but in times like this we have the favor and the blessing of God to prosper according to God's plan and purposes. Dark and bad times in the world can be glorious times for God's people. If you face difficulties in your life right now, know that God loves you and keep on believing in His goodness and care for you. Cast your care upon Him and make your request known to Him. Do not confess and speak what you feel and experience, but draw from Jesus and what you have in Him and connect your confession to your inner man, not to what you see and feel in the natural which is all temporal and can be change. By the help of The Holy Spirit we can keep a steady course through the storms of life. Like James tells us

"And a small rudder makes a huge ship turn wherever the pilot chooses to go, even though the winds are strong. In the same way, the tongue is a small thing that makes grand speeches. But a tiny spark can set a great forest on fire." **Jam3:4-5**

By the shield of faith we can quench all the fiery darts coming against us. A problem can grow and become bigger in our life if we do not handle it by faith, but instead allow our feelings and circumstances to rule our lives. Stand up like Jesus and speak the word of God. " IT IS WRITTEN! " Do not let your mountains grow by speaking about it, but use your faith and believing, by speaking and praying the word of God instead. God's grace is sufficient in every situation we face. If we have been hurt or disappointed by what happen in our life, take a stand on faith and look to Jesus and allow his grace and power lift you up into his peace and joy. Hold on to the goodness and the love of God. Keep on believing and keep on walking by faith and run the race that God has for you. God is faithful and good days is in the front of you as sons and daughters of the living God. May God fill you right now with joy and peace in The Holy Spirit. Grace and Shalom from Oyvind and Sherry

Update from our mission work:

We are happy to report that the mission work is growing despite the challenges and changes in our life and ministry. We need to take the step of faith and walk on the water with Jesus and depend on Him to be ready and prepare

for the things that is in front of us. We will share in this newsletter what have happen and where we have been since late March to July this year.

Europe: Doors are open for us in Europe and please keep praying for us to be led by The Holy Spirit and be at the right place at the right time. We had the privilege to preach in churches and have revival meetings and teaching the word in Norway, Romania and Hungary. People have been saved, healed and touched by God. In April we had meetings in Budapest, Hungary at Grace Home Church where many people were strongly touch and minister to by the power and the presence of God. We also had the privilege to meet up with brother Fekete Imre whose ministry is in sending essential help to Eastern Europe and to the Ukrianian refugees. In May we made a ministry trip to Romania, this time we had a 5 days meetings in the northern part of Romania close to the border of Hungary. We were thankful to Pastor Boros from Baraka Church in the city of Salonta for his help with the arrangement and meetings in 5 days and all the love and generosity from the church. We had 3 meetings in Salonta that includes a question and answer meeting where we focus on the book of Galatian 5 and also a youth meeting and a Sunday service in the evening and morning service in Batak Church in Arad City where we experience God's power and presence. We also had a one day meeting in a gypsy church in Szilagy Mocsoya with Pastor Miklos. We had a wonderful time enjoying the presence of God and one girl testify that a cancer tumor disappeared from her neck. After that we had a 3 day's meeting in the gypsy church Biserica Crestina Pentecostela Church in Bucharest.

Orissa, India: We continue to have online pastor seminar in Orissa with Pastor Sam. We have been able to have 3 online pastor seminars in late March where we brought pastors and leaders together for teaching on the big screen, we also provided them with food and some with accommodation and traveling cost. It has been very effective and it has been a great encouragment to the pastors and the church leaders in their faith in Orissa. We also by the grace of God to help bless the training center and the church of Pastor Sam with the installation of new ceiling fans.

Nepal: The mission work in Nepal is growing and, with many coming to the Lord and new believers water baptized, new churches and house groups started. We are also very thankful to announce that the "Trust House" a three storey building that have become a home for Pastor Luke and his family, a center for ministry training, the entire loan of US$55,000 have been paid down and there is no more loan. We have completed two training courses where we brought together a group of 25 students and provided them with food and accommodation and had intensive training for 3-4 days and also two pastors and leaders seminar through big screen. We have planned meetings in Nepal on our traveling itenary in Asia from 1-9 November.

We want to thank all of you from our hearts for your prayers and support for the ministry. Please continue to pray that doors continue to be open, to bring the good news of Jesus Christ to the nations.

WE NEED YOUR SUPPORT!

We thank God for his faithfulness and for giving us the opportunity to bring and preach the Person of Jesus Christ, the Word, in the mission fields. And where the Gospel is preached, the people get changed by the washing of the Word, Eph 5:26. There are always needs in the ministry, and we believe that God wants us to increase, expand and move forward in the things He put in our hearts. You can partner with us and together, we could go & bring the good news of Jesus Christ to the nations. **We value every single financial gifts, big or small, that comes into our ministry, everything starts with a seed, a seed sown will bring about a harvest.** From our hearts, we want to say thank you, by your prayers and giving for us to go, with the good news to the different nations. **May the favour and the grace of God abundantly meet all your desires and needs.**
